

Carthage Free Library Holiday Silent Auction

The Holidays are on their way and they will be here before we know it! The Friends of the Carthage Free Library would like to host our 2nd Holiday Silent Auction, taking place online, starting on November 28th at CarthageFreeLibrary.org.

The last few years, the COVID-19 pandemic forced us to change the way we do fundraising. This event was so well received and successful that we have decided to offer it again!

We are reaching out to crafters, vendors, and local small businesses that might be interested in donating to our cause. We understand that the last few years have been extremely difficult on all of our local businesses and organizations, and we would appreciate any donation that you are able to provide in support of the Friends of the Carthage Free Library. We are looking for donations that would make great Christmas gifts for our silent auction. Photos of the items will be shared on Facebook for people to bid on. Each item will have a minimum starting bid of at least 30% of the item's value. At the end of the bidding period the highest bidder will submit their online payment and then pick up the item at the library. In return for your generosity, your name will be listed as the donor under the item's album on Facebook, along with information about your business, the item you donated, and information about your website or Facebook page. We want this event to help everyone that is involved.

If you are interested in donating towards this event, please complete the form below and return it to the library along with your donation, by November 16th. If you have any questions, please call 315.493.2620. Thank you so much for your time and consideration. We wish you a very Happy Holiday Season!!

Name _____

Address _____

Phone Number _____
